## SCENE 1

TIME: 8:30PM on Monday

PLACE: The President's house. A manshun.

AT RISE: Lots of people at a party. Hip hop music is playing.

SPARKLES

Lets go to a party....

SUGAR

Let's cookie with me!

*(They dance.)*

SPARKLES

Can I have candy? I'm hungry.

SUGAR

Would you like something to eat? ...like... bones or brussel sprouts or tuna fish or watermelon?

SPARKLES

YUCK! I don't like any of those.....

*(runs up to COOKIE)*

I'm going to eat YOU...

SUGAR

AHHHHHHhhh. A dog is trying to eat me. Save me from that dog. I'm sorry that you don't like any of those. I'm sorry I'm so chocolaty and M-and-M-y and delicious but.....I feel sick and I think I'm going to barf because I feel scared...I'm hungry too.

SPARKLES

Why did you tell me to eat those things I didn't like?

SUGAR

Because they are not a cookie. That's why.

SPARKLES

I'm scared too because I'm alone in my house. My family got lost. I only have a picture of my family. The president adopted me but I want to get back to find my family. There's all grownups here and just a little food for me. Just fish.

SUGAR

I feel that I'm left out too because I am an adult but I'm just feeling left out.

SUGAR

Well, we could be nicer.

SPARKLES

NO.

SUGAR

Wait... uhhh... what am I doing. I'm not your friend.

SPARKLES

Fine. Why don't you be by yourself and I'll be by myself. I will find a friend with my money. I have money I can just bribe a friend.

SUGAR

All right. You just go and do that you are going to have a worse life than I am.

*(sad)*

Well, I don't need you I can find a friend all myself  
without bribing. Who needs you.

SUGAR

I feel left out gloomy.

*(SUGAR starts going to a corner)*

I have nothing left.

SPARKLES

I accident let my friend go.

*(sad)*

I learned that if you DON'T bribe.... People will like  
you and have feelings for you.

*(to SUGAR)*

Wait. I sorry what I said.

SUGAR

Well. Do you want me to live with you?

SPARKLES

Well...Maybe we could be friends.

*(thinks)*

I could use my money to buy food instead of bribing.  
We could use it at the grocery store.

SUGAR

We'd buy, maybe gummy bears and...

SPARKLES

And COOKIES!...

SUGAR

And gummy bears.

And candy... SPARKLES

Gummy bears. SUGAR

And pizza... SPARKLES

Gummy bears. SUGAR

And hot chocolate... SPARKLES

SUGAR  
We could buy the WHOLE ENCHILADA and gummy bears! Sparkles, Lets eat those foods instead of ourself.

SPARKLES  
OK Sugar. I feel like I'm actually being the real normal side of me instead of being all sassy and rich. Now I get a friend. I've changed a lot.

*(They sing)*

CAN NEVER BE APART

MY BEST FRIEND  
BEST FRIENDS FOREVER  
I HAVE A FRIEND
