CHARACTERS:

STITCH, a long ears doxin dog, a boy, age 12
LULU, a turtle, a girl sea turtle, age 12
SISTER, of LULU as a human

SCENE 1

TIME: 10 o'clock in the AM
PLACE: Island in Hawaii and the Space Station Arcade in San Francisco
AT RISE: The sun is coming up, STITCH and LULU on the island.

LULU

How did we get here?

STITCH

I have no idea. Why would you care?

LULU

I don't know and I have to be stuck with you.

STITCH

(thinks a little)

I think we got sucked into the video game. Back in the Arcade you were human? And some one give me back those Doritos.

LULU

(feels something heavy on her back and like her arms move slow and a little)

AHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHHH!
I'm a TURTLE!

STITCH

Wait...hey...

(he barks)

hey...

(he barks again)

settle down...

(he barks again)

*(STITCH covers his mouth...
and realizes there are paws)*

STITCH

Why did I bark? I'm a DOG!

(he barks)

And here I am on a deserted island.

LULU

I have to be on this deserted island cuz of you and I feel really sad and scared. I lost my little sister. She's back at the Arcade. She's only three....

(LULU starts hyperventilating)

Shes probably going to get stolen. Kidnapped. My parents died in a fire.

STITCH

I'll help you find your little sister right after we get off this island.

LULU

You're not going to do that for me you're just going to leave.

STITCH
Fine. You're the werst person ever.

LULU
I heat you.

(LULU starts to cry)

STITCH
There's a shark.

LULU
Stop plaing.

STITCH
Turn a rownd.

LULU
OK I'll turn around.

STITCH
Do you see the shark?

LULU
OH MY GOSH!

(LULU hugs STITCH)

STITCH
Let me go please.

LULU
NO! I'm so scared and there's a SHARK!

STITCH
I can't let go either!

LULU
Am I squeezing to hard?

STITCH
YES!

LULU

Sorry! Sometimes I squeeze when I'm scared.

STITCH

We need to find food and shelter right away. Or. We're going to be starved here for the rest of our lives. Let's go make some shelter.

LULU

Great idea.

STITCH

Why don't you find food and I'll find some shelter.

LULU

OK!

[END SCENE 1]

SCENE 2

TIME: Later
PLACE: On a different part of the beach
AT RISE: The sun is up

(LULU swims out to sea. STITCH looks around on the beach and finds a shelter.)

STITCH

(whistles)

Hey! I found some shelter!

LULU

(swimming)

Aaaaaaaaaaaaaaaaaaaaaah! A shark!

STITCH

Where is the turtle?!

LULU

(sings a happy song)

La! La! La! La! La! La!

STITCH

Well, I guess I'll have to be in shelter all by myself.

LULU
GOTCHA! HA! I know how to catch fish.

STITCH
Hey! Chocolate!

(munch)

LULU
What in the world are you eating?

STITCH
Chocolate!

LULU
(mad, yelling)
You found food without telling me?!

STITCH
Sorry.

LULU
NO. You know what? I going to go and shelter for me.

STITCH
Please don't go.

LULU
Whatev!

(slam)

STITCH

(sings)

I'M ALL ALONE
LIVING ALL BY MYSELF
I AM STUCK I AN ISLAND
WITH MY ENEMY

I'M ALL ALONE
I WANT TO GET BACK HOME

BUT MY ENEMY DOESN'T EVER CARE
ABOUT ANYTHING BUT HER SISTER

(crying of STITCH)

LULU

Maybe I was too rough on him. Well who cares. I'm going to find shelter for me!

STITCH

(still crying)

I'm going to read a sad, sad book... Once upon a time, there was a beautiful princess. Then an oger stole her and gobbled her up. Oh no! I'm not going to read anymore!

LULU

I found shelter! With lots of food!

STITCH

I'm going to sing a sad, sad song.

LULU

I'm going back to the dog..... I never found out what his name is.

STITCH

I'm staying here.

(Lulu knocking)

Turtle! Your back!

LULU

What's you're name?

STITCH

Stitch. What's yours?

LULU

Lulu!

STITCH

Nice name.

LULU

Thanks. I like your name!

STITCH

Thanks!

LULU

Instead of fighting lets just focus on how we need to get out of here.

STITCH

But you're finding shelter and food and not worrying about your sister.

LULU

(LULU thinks)

Proly you are right. Instead of focusing on that.... How about focusing on both things.

(STITCH and LULU both think. They blink 3 times and realize they should be a better person.)

STITCH

I've played the same game for years and I've beaten the game many times. We need to find the portal.

LULU

Whats a portal?

STITCH

A portal is a path from one place to another, in one step, a different dimention.

LULU

OH! Thank you for teaching me a new word... HEY. Whats that? I see wakes in the air in front the bushes. Its like wakes like heat waves.

STITCH

Thank must be the PORTAL!

LULU

Maybe we should push the bushes.

(LULU pushes the bushes. It doesn't work. It scootches a teeny bit but nothing happens. Then,

STITCH pushes the bushes. It scootches a teeny bit again but nothing happens.)

LULU

Oh no I'm not going to get to my sister in time. She's probably wondering around looking for us.

STITCH

It's ok. Don't freak out. We're going to get to your sister in time and find that portal.

(STITCH hugs LULU)

STITCH

What. Probably we didn't work as a team hard enough. Lets both try harder TOGETHER.

(They push it TOGETHER. It works. It activates.)

LULU

HEY... that's the Arcade... I see my sister. She's banging on this video game.

STITCH

Thank must be the PORTAL!

[END Scene 2]

SCENE 3

TIME: Early the next morning
PLACE: The Space Station Arcade in San Francisco
AT RISE: The sun is rising at the Arcade

SISTER

Waaahh di you gooohhhhh?

(SISTER and LULU hug)

(STITCH and LULU look at themselves)

TOGETHER

We're HUMAN! And back at the Arcade! I feel really happy. THANK GOD we weren't stuck in that video game forever.

(They hug)

STITCH

Lets plan another video game for a celebration.

LULU

Mmmmmm..... Maybe we should get some breakfast first.

[END PLAY]
